UCLA ALPHA STEM CELL CLINIC (ASCC) and BROAD STEM CELL RESEARCH CENTER
CONFERENCE AWARD INFORMATION
FOR
"CRITICAL ROLE OF NURSING IN CELLULAR THERAPIES"

Event Description
Hosted by CIRM (California Institute of Regenerative Medicine) and the Alpha Stem Cell Clinics Network (UCLA-UC Irvine, UC Davis, UCSF, UC San Diego, and City of Hope).

This two-day training program will provide RNs and other allied health professionals key information on clinical trials research, emerging cell-based therapies, and to address the pivotal role nurses play in carrying out these complex therapies for our patients and families. Such stem-cell-based therapies are the primary work of the CIRM Alpha Stem Cell Clinics. Continuing education hours will be available.

Date
Friday, August 17 – Saturday, August 18, 2018, 7:30 AM – 3:30 PM

Location
City of Hope, 1500 East Duarte Road, Duarte, CA 91010

Conference Award
- $50 registration fee will be covered by the UCLA Alpha Stem Cell Clinic for up to 20 selected recipients.
- Travel, accommodations, and outside meals are not covered. Breakfast and lunch will be served at the conference both days.

Eventbrite Link

Requirements
- UCLA-Affiliated RN, NP, or LVN with at least 2 years of UCLA work experience
- Interest in learning more about clinical trials, regenerative medicine, and stem cell-based therapies
- Permission of supervisor for nursing education leave or personal time off (if applicable)
- Must be able to attend the entire 2-day conference

Submissions
1. Current resume
2. Brief description on how this conference is related to your current work role, nursing competencies, and career goals (up to 100 words).

Please send your complete submission to ascc@mednet.ucla.edu by noon on Thursday, July 12, 2018. Recipients will be notified by end of day Friday, July 20, 2018.

Questions? Please contact Laurie Shaker-Irwin at LShakerIrwin@mednet.ucla.edu or by phone at 310-794-7504.
