The **CTSI Integrating Special Populations Program** increases the quantity and quality of research in children, older adults, and populations affected by health disparities at the UCLA CTSI partner institutions: UCLA Westwood, LA BioMed at Harbor-UCLA, Cedars-Sinai, and Charles R. Drew University.

**Eligibility:** Postdoctoral researchers and faculty at any level doing research relevant to special populations (i.e., children, older adults, health disparities) are encouraged to utilize the following free ISP consultation services:

### Internal Pre-Submission Grant Reviews
Approximately 4-6 weeks before submission deadlines, our experienced faculty offer:
- independent review of PCORI, NIH U01, K- or R-level grant proposals
- in-person feedback in a mock study section
- written and oral critiques plus suggestions for improving the grant

### Career Consultations
An interdisciplinary team of senior faculty members provide one-time, or ongoing career advice. Interested faculty submit a CV and responses to key questions about their career trajectories. Discussion items can include:
- potential sources of funding
- collaboration opportunities
- suggestions for research content direction
- support with promotion
- career transitions
- strategies for achieving academic success

Consultations are especially useful to faculty at a career crossroads, e.g., near the end of a funding cycle, deciding between different employment opportunities.

### Project-Specific Consultations
Senior faculty provide concrete, one-time project-specific advice to:
- conceptualize projects
- identify key collaborations
- identify potential grant sources
- problem-solve
- get advice on tasks such as grant-writing, IRB submissions, hiring staff, and study recruitment
- strategies for achieving academic success

If interested, or know a mentee who may benefit, please contact:
Nathalie Vizueta
CTSI Special Populations Program Manager
nvizueta@mednet.ucla.edu • (310) 794-2744

**Special Populations Consultation Service Task Force leaders:**
- Catherine Sarkisian (UCLA Geriatrics)
csarkisian@mednet.ucla.edu
- Kimberly Gregory (Cedars-Sinai)
kimberly.gregory@cshs.org
- David Martins (Charles R. Drew University)
davidmartins@cdrewu.edu
- Katherine Ward (LA BioMed)
kateward@ucla.edu
- Peter Szilagyi (UCLA Pediatrics)
pszilagyi@mednet.ucla.edu
- Teryl Nuckols (Cedars-Sinai)
teryl.nuckols@cshs.org
- Lynne Smith (LA BioMed)
smith@labiomed.org

Recipients of CTSI services will receive a brief online survey for our annual NIH progress report obligations.

#### Contacts

**Biostatistics, Epidemiology and Research Design** provides biostatistical and data management support, grant preparation, education and bioinformatics/computational biology services to CTSI research teams. [Staff contact: domstat@mednet.ucla.edu](mailto:domstat@mednet.ucla.edu)

**Community Engagement and Research Program** develops, implements, and refines models of community engagement and facilitates research collaborations with community partners. [Staff contact: Ibrahima Sankare, isankare@mednet.ucla.edu](mailto:isankare@mednet.ucla.edu)

**Informatics Program** provides databases, tools, resources and infrastructure for the acquisition, storage and analysis of data. [Staff contact: Marianne Zachariah, mzachariah@mednet.ucla.edu](mailto:mzachariah@mednet.ucla.edu)

**Integrating Special Populations** focuses on catalyzing and strengthening research in three special groups: children, older adults, and groups affected by health disparities. [Staff contact: Nathalie Vizueta, nvizueta@mednet.ucla.edu](mailto:nvizueta@mednet.ucla.edu)

**Network Resources** consists of two units: 1) The Clinical Research Acceleration Unit (CRAU) interacts with the CTSA Network Trial Innovation Centers (TICs) to ensure rapid study start-up of clinical trials and assist investigators with high priority studies; 2) The Recruitment Unit has been established to interact with Research Innovation Centers (RICs) to ensure rapid subject recruitment to clinical trials. [CRAU contact: Hazel Xavier, hxavier@mednet.ucla.edu, Recruitment Unit contact: Marianne Zachariah, mzachariah@mednet.ucla.edu](mailto:mzachariah@mednet.ucla.edu)

**Participant and Clinical Interactions** provides scientific review and data and safety oversight. [Helen Williams-Bayne, hwbayne@mednet.ucla.edu (UCLA), Debby Peterson, debby.peterson@cshs.org (Cedars-Sina) Provided](mailto:hwbayne@mednet.ucla.edu) [Staff contact: Deborah Herman, dkherman@mednet.ucla.edu](mailto:dkherman@mednet.ucla.edu)

**Pilot, Translational and Clinical Studies Program** provides seed funding for collaborative research, team-building activities and development of novel technologies and approaches. [Staff contact: Deborah Herman, dkherman@mednet.ucla.edu](mailto:dkherman@mednet.ucla.edu)

**Population Health** equips health agency personnel with skills to introduce and sustain critical translational science methods. [Staff contact: Moira Inkelas, minkelas@mednet.ucla.edu](mailto:minkelas@mednet.ucla.edu)

**Precision Health** mobilizes and integrates genomic data with clinical data for translational research that involves genetics, genomics, patient phenotypes, and biomaterials. [Staff contact: Clara Lajonchere, clajonchere@mednet.ucla.edu](mailto:clajonchere@mednet.ucla.edu)

**Regulatory Knowledge and Support** ensures that our research is in full regulatory compliance and meets the highest quality assurance standards. [Staff contact: Terra Hughes, tnhughes@mednet.ucla.edu](mailto:tnhughes@mednet.ucla.edu)

**Team Science** develops new theoretical and evidence-based tools to improve, assess, and evaluate the capacity of interdisciplinary and translational science teams to effectively combine team members' diverse expertise. [Staff contact: Deborah Herman, dkherman@mednet.ucla.edu](mailto:dkherman@mednet.ucla.edu)

**Workforce Development Program** houses most of our education and training activities, including KL2 and TL1 awards for mentored research. [Staff contact: Lisa Chan, lchan@mednet.ucla.edu](mailto:lchan@mednet.ucla.edu)
