

CEDARS-SINAI®

MEDICAL CENTER

**CALL FOR APPLICATIONS**

**UCLA Intercampus Medical Genetics Training Program**

**Medical Genetics T-32 Training Grant**

**APPLICATIONS NOW BEING ACCEPTED**

*Funded by an NIH Postdoctoral T-32 Training Grant  
Supported by the UCLA Clinical and Translational Science Institute*

**Program Goal:** to train postdoctoral individuals in human genetics for an independent academic research career.

**Eligibility Criteria:**

1. MD and/or PhD degree; preference is given to MD's.
2. Research must be in the area of human genetics, molecular biology, cell biology or a related field.
3. Dedicated 75% protected time towards the research project.
4. Must have future plans of submitting extra-mural grant applications
5. Applicants must be U.S. citizens or permanent residents.
6. Mentors at Cedars-Sinai, UCLA, and Harbor-UCLA, if not already members of the program, must be principal investigators on a non-mentored NIH grant or equivalent

**Initial Application Process:**

- 1) Fellowship biosketch
- 2) Two recommendation letters addressing the applicant's prior experience and suitability for an academic research career
- 3) A statement from the applicant regarding immediate and future career plans and research interests.

**Other Details:**

- 1) The duration of the award is July 1, 2013 – June 30, 2014. (Earlier start is available.)
- 2) Those funded the previous year are eligible to apply again for an additional year of funding. An annual progress report on funding, grant submissions and publication track record is required.
- 3) We anticipate making two to three awards per year.
- 4) Awardees are expected to present their data at the Intercampus Research Retreat as well as a national genetics or subspecialty meeting.

**Submit your application to:** (E-mail preferred)
